“Would you like to receive formal training on anchor installation?”

“Would you like to be recognised as an AEFAC Certified Installer?”

Course Description

Anchors are sensitive to installation. Many failures associated with anchors have been caused by incorrect installation. The AEFAC Installer Certification Program has been developed to promote best practice for installation and to safeguard human lives and is recommended by Standards Australia TS 101:2015 Design of post-installed and cast-in fastenings for use in concrete.

Who should attend

Chemical and mechanical anchor installers, site supervisors for anchor installation

Prerequisites:

Recommended experience:

- Minimum 1 year of construction site experience
- Ability to use rotary hammer drill
- Ability to read, write and comprehend technical instructions

Certified Anchor Installer Registration Form

The following are questions related to your experience as an installer:

1) How many years of experience do you have in post-installed anchors installation?

2) Type(s) of post-installed anchors that you have worked with (please tick the relevant items)
   a. Chemical anchors
      i. Injection system
      ii. Capsule system
   b. Mechanical anchors

Please list types of products that you have installed before (for e.g. screw anchors)

Terms and conditions

Registration and payment
Courses must be paid for in full at the time of registration which will be acknowledged in writing within one working day and this correspondence should be kept as confirmation of registration.

Payment of course fees
- Email – email form to aefac@aefac.org.au
- Invoice - Invoices may be charged to your organisation. A purchase order or letter of authority from your employer must be attached to your registration.

Withdrawals, transfers and refunds
Please choose carefully. Once processed your course fee will not be refunded if you change your mind or your circumstances change.

Requests to withdraw or transfer from a course must be received in writing at least 10 working days prior to the start of the course at aefac@aefac.org.au

Options to a participant who withdraws are:
- request a transfer to the next available course if applicable
- nominate a substitute person to attend the course

Course cancellation
Courses may be cancelled or rescheduled from time to time. In this circumstance, AEFAC will provide participants with as much notice as possible. Participants may elect to have their payment refunded, or transfer their registration to the next scheduled workshop.
